The Elders recommend for affirmation the construction and financing of the 32 foot educational wing (class rooms, kitchen, and bathrooms). The church addition will be financed with a 20 year mortgage of \$125,000 with Christian Investors (which is the Evangelical Free Church). The monthly payment for the initial 5 years at an interest rate of 6 1/2 % will be approximately \$932 per month (the monthly payment may vary depending on the actual interest rate when the loan is obtained).
