Dear Church Family,

As Thanksgiving approaches, it is a good time to reflect on some of the things we can be thankful for.

As a church, we have been blessed this year to have had all our regular financial needs met through the generosity of God's people. We are thankful for the many ways in which God has blessed each one of us. First and foremost, the blessing of salvation and the certain hope of eternity spent in His presence. We also praise God for our families and the wonderful fellowship that we enjoy as a church body.

The church addition will be a tremendous blessing in providing a more functional space to minister and worship. Of course, it is our desire to incur only the least amount of debt necessary to accomplish the building project. Toward that end, we ask that each one prayerfully consider contributing towards the church expansion during the Thanksgiving season. If you would like to be a financial part of this project, you may note on your gift, 'Thanksgiving Offering' or simply 'Building'.

Please continue to pray for wisdom in handling the finances of the church, and also for this building project, that it may move forward as quickly as possible and with as little debt as possible, or maybe even no debt at all! Wouldn't that be a blessing?

In Christ,

The Elders
